We distributed 970 school supplies, along with pajamas, socks, hygiene products, and other essentials to families in our community. Thank you to everyone who helped make this event possible!

THIS MONTH'S HIGHLIGHTS

READING AND RESOURCE CONNECTION

Our new Reading & Resource Connection brings families together for storytime, early literacy activities, and connections to helpful community resources.

BABY WEARING CLASS

We hosted a Babywearing Class for expecting moms, where they learned about safe babywearing and each received a Gojiberry baby carrier to take home.

MOBILE DISTRIBUTIONS

Our Mobile Diaper Pantry hit the road this month, bringing diapers and essential supplies directly to families in communities across Utah.

Project Little Lambs Updates

We're breaking ground on **October 15th** for Phase One of our new 12,000 sq. ft. Diaper Bank & Community Resource Center!

This new facility will **expand** our ability to provide diapers, essential supplies, education, and family resources to **thousands** more Utah families each year.

Construction is beginning, but we still need your help to finish the building and open the doors!

One mom's story

"I want to say a big THANK YOU! Thanks for posting this video I live in Box Elder and had no idea this was a thing and because of you I was able to take my kids to the back to school event the other night. They had such a good time and so excited to get the things they did. It was a great event!!!! And I saw you interact with kiddos you are an amazing human. It's the first time I haven't felt judged for needing a bit of help this last year."
