

# LITTLE LAMBS FOUNDATION FOR KIDS

## AUGUST NEWSLETTER

### DIAPER AWARENESS WEEK

Diapers are a basic need of all babies, essential to their health and well being. Keeping infants and toddlers clean, dry, and healthy helps build the strong foundation all children require to reach their full potential. However, 1 in 2 U.S. families with young children struggles to afford clean diapers for their baby

### DID YOU KNOW?

**21.5%** of the families we serve include **students** working hard to improve their future from parenting teens to college moms juggling diapers and finals. With your support, Little Lambs helps students:

- Stay in school through our **Teen Parent Program** (see below)
- Access diapers, wipes, and hygiene items
- Get the school supplies they need to start strong

### TEEN PARENT PROGRAM

The Little Lambs Teen Parent and Healthy Baby Diaper Assistance program provides **monthly diaper assistance** to all **teen parents in school**.

Our goal is to help teen parents stay in school and one day graduate. This program supports young parents with more than essentials, it gives them hope and practical tools to break out of crisis and create a stable life!

# We Turned 11 This Month!

This August marks 11 amazing years of serving families across Utah! What started as a small effort has grown into a statewide foundation providing diapers, hygiene items, comfort kits, and hope to tens of thousands of children.

## PROJECT LITTLE LAMBS:

Little Lambs began in Ted and Stephanie's basement and grew into our current building in Logan. Now, with demand higher than ever, we're building a new, expanded facility that will be 16,000 sq ft which will triple our space and allow us to serve even more families across Utah. This new building is a vital step forward in meeting the growing needs of the communities we serve. Your support helps build a space where no family is turned away.

We're building a new 16,000 sq. ft. Diaper Bank & Community Resource Center in Logan, Utah to serve more families. This facility will provide diapers, wipes, comfort kits, and vital resources to children across Utah, helping them stay healthy, happy, and dry. Together, we can create a place where help is always near.

**We're so grateful to our sponsors, volunteers, and community partners for making this possible. Your generosity, time, and belief in our mission have helped us grow from a small basement project to a statewide resource for families in need. Thank you for being part of this journey and for helping us keep Utah's littlest ones healthy, happy, and dry. Your continued support brings hope, dignity, and relief to thousands of children and caregivers across the state.**

## Monthly Spotlight!

### USU FOOTBALL TEAM

We're thrilled to spotlight the **Utah State University Football Team** for their incredible volunteer work this summer! **Every Wednesday**, these student-athletes showed up ready to help **by packaging diapers, sorting donations, and keeping inventory** running smoothly during one of our busiest times.

Their commitment, teamwork, and energy helped us serve hundreds of families each week, and they approached every task from lifting boxes to assembling diaper bundles with heart.

We're **so grateful** for their support on and off the field. Thank you, **Aggies**, for being champions for Utah families!
