PICKLEBALL TOURNAMENT

On October 24th, we hosted our Dink or Treat Pickleball Tournament at Bridger Courts in partnership with Logan Recreation. Players enjoyed an afternoon of friendly competition, exciting matches, raffles, and prizes, all while supporting Little Lambs and the families we serve. A huge thank you to our players, sponsors, and volunteers for making this event such a success!

THIS MONTH'S HIGHLIGHTS

READING AND RESOURCE CONNECTION

On October 19th, we welcomed 28 families and over 50 children to the Logan Library for stories, games, and connection! We loved highlighting local resources, connecting with moms, and creating a fun space for little ones to learn and play!

BABY SHOWER

We welcomed 19 expecting moms to our fall-themed baby shower for games, prizes, and connection! Each mom went home with over $1,000 worth of baby essentials and gifts to prepare for their new arrival!

MOBILE & HALLOWEEN DISTRIBUTIONS

Our Mobile Diaper Pantry served over 100 families in Preston with diapers, pajamas, and safe sleep education! We also hosted a Halloween distribution, giving families free costumes and decorations to enjoy the holiday!

Project Little Lambs Updates

We're getting closer to making our new Diaper Bank and Community Resource Center a reality! We're currently in the final stages of the building permit process and looking forward to beginning construction.

HELP US BUILD WHAT'S NEXT!

We're continuing to raise the remaining funds needed to complete our new facility. Every donation brings us one step closer to expanding our programs and serving more Utah families!

Groundbreaking

oct 15. 2026

On October 15th, we celebrated an exciting milestone with the groundbreaking of our new Diaper Bank and Community Resource Center! We are so grateful to everyone who joined us to celebrate this special day and to those who have helped make this dream a reality.

A special thank you to **Senator Chris Wilson**, **The Church of Jesus Christ of Latter-day Saints, the George S. and Dolores Doré Eccles Foundation, the State of Utah, Sorenson Legacy Foundation, Bruce and Cecelia Petersen Foundation Trust, Cartwright Engineering, Nucor, and Red Iron Industries** for their generous support and commitment to our mission. We couldn't do this without you!

Thank you to everyone who has made this project ♡ possible so far! ♡

One mom's story

"I don't have to calculate anymore. How many diapers my baby can have in a day so the other diapers would last for how ever long I needed them till I could afford to get more diapers. My baby now has a new diaper whenever needed, and that is a blessing"
