

LITTLE LAMBS FOUNDATION FOR KIDS

DECEMBER 2025 NEWSLETTER

Project Little Lambs

*This building has not been constructed and image is a rendering of future building.

"This space will help families feel supported, seen, and cared for when they need it the most"

We're expanding to a 12,000 sq. ft. Diaper Bank & Community Resource Center as part of Phase 1 of our growth. This new space will **allow us to reach thousands more families each year with diapers, wipes, comfort kits, and essential baby care items.**

As we work to raise the remaining funds needed to begin construction this spring, **year-end gifts will play a critical role in helping us move forward.**

If you would like to be part of this meaningful project, we would **love to connect with you.** We also welcome conversations with contractors, businesses, and corporate partners who may be interested in supporting this project through **financial support, in-kind contributions, or professional services.**

Please contact Ted at 435-764-4439.

Capital Campaign

Because of the incredible support from the Utah Legislature, The Church of Jesus Christ of Latter-day Saints, and generous private donors, we have been able to take meaningful steps forward in our capital campaign. This progress would not have been possible without their partnership and belief in our mission.

Securing the land is a major milestone, but it is only the beginning. We still have a long road ahead before construction can begin, and we are actively working to raise the remaining funds needed to bring this building to life. This future space will allow us to serve more families, expand vital programs, welcome volunteers, and continue meeting the growing need across Utah.

Together, step by step, we are building a place where dignity, care, and hope will meet families when they need it most.

BUILDING FUND SPONSORS

- Utah Legislature
- Church of Jesus Christ of Latter-day Saints
- Cartwright Engineering
- Bruce & Cecilia Petersen Family Foundation
- Sorenson Legacy Foundation
